Short Description

Aviator type sunglasses for kids with polarized lenses

Description

A unique pair of aviator type sunglasses for kids, protecting their eyes from the sun and make them look so trendy. With their polarized lenses, the double nose-bridge and special combination of colors, they will give boys and girls a great style. Made from durable and quality material to last until the child grows, the frame, temples and lenses will sustain kids' activity, to become their all-time companion when out.
